

RECORTABLE PARA CONSTRUIR UN PÁJARO VOLADOR

En esta dirección podéis ver un vídeo paso a paso:

<http://asterion.almadark.com/2008/07/25/como-construir-el-mejor-avion-de-papel-del-mundo/>

También podéis conectaros vía móvil leyendo el código QR que encontrareis a la derecha.

Recordad recortar las alas para que su aspecto sea más animal.

Que os divirtais volando este pájaro.

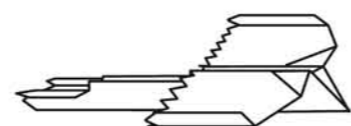

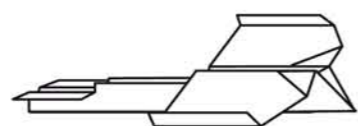

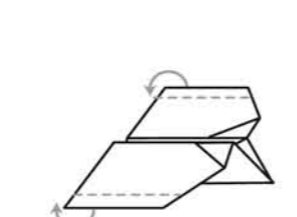

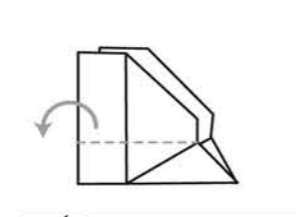

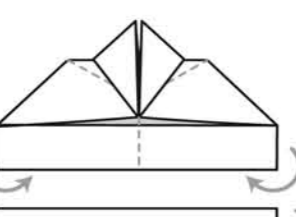

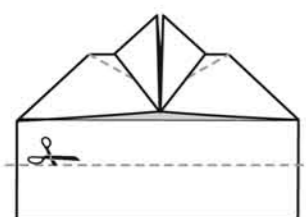

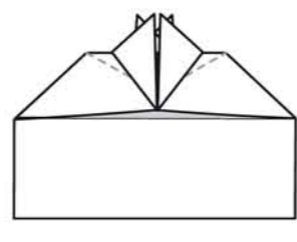

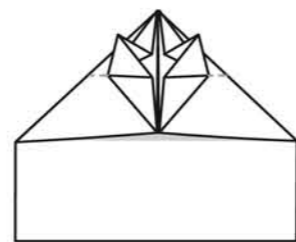

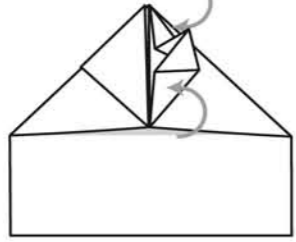

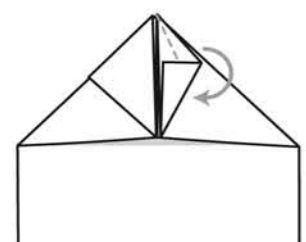

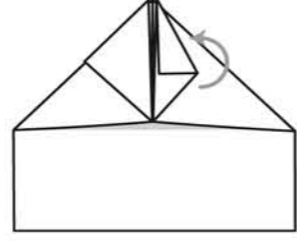

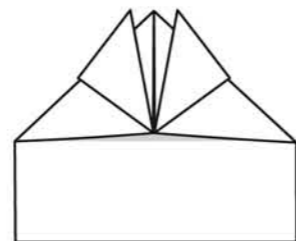

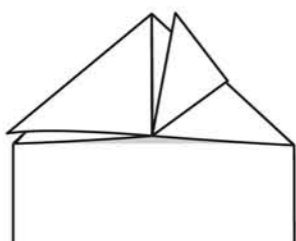

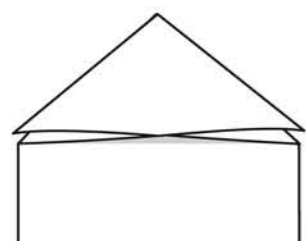

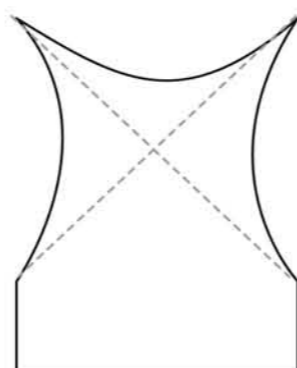

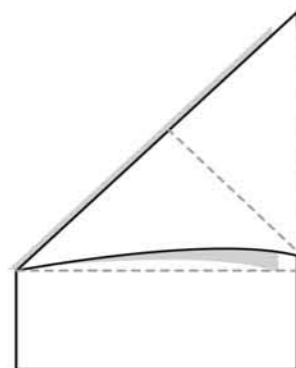

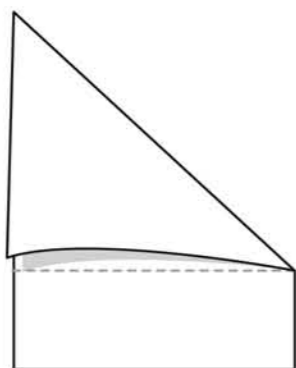

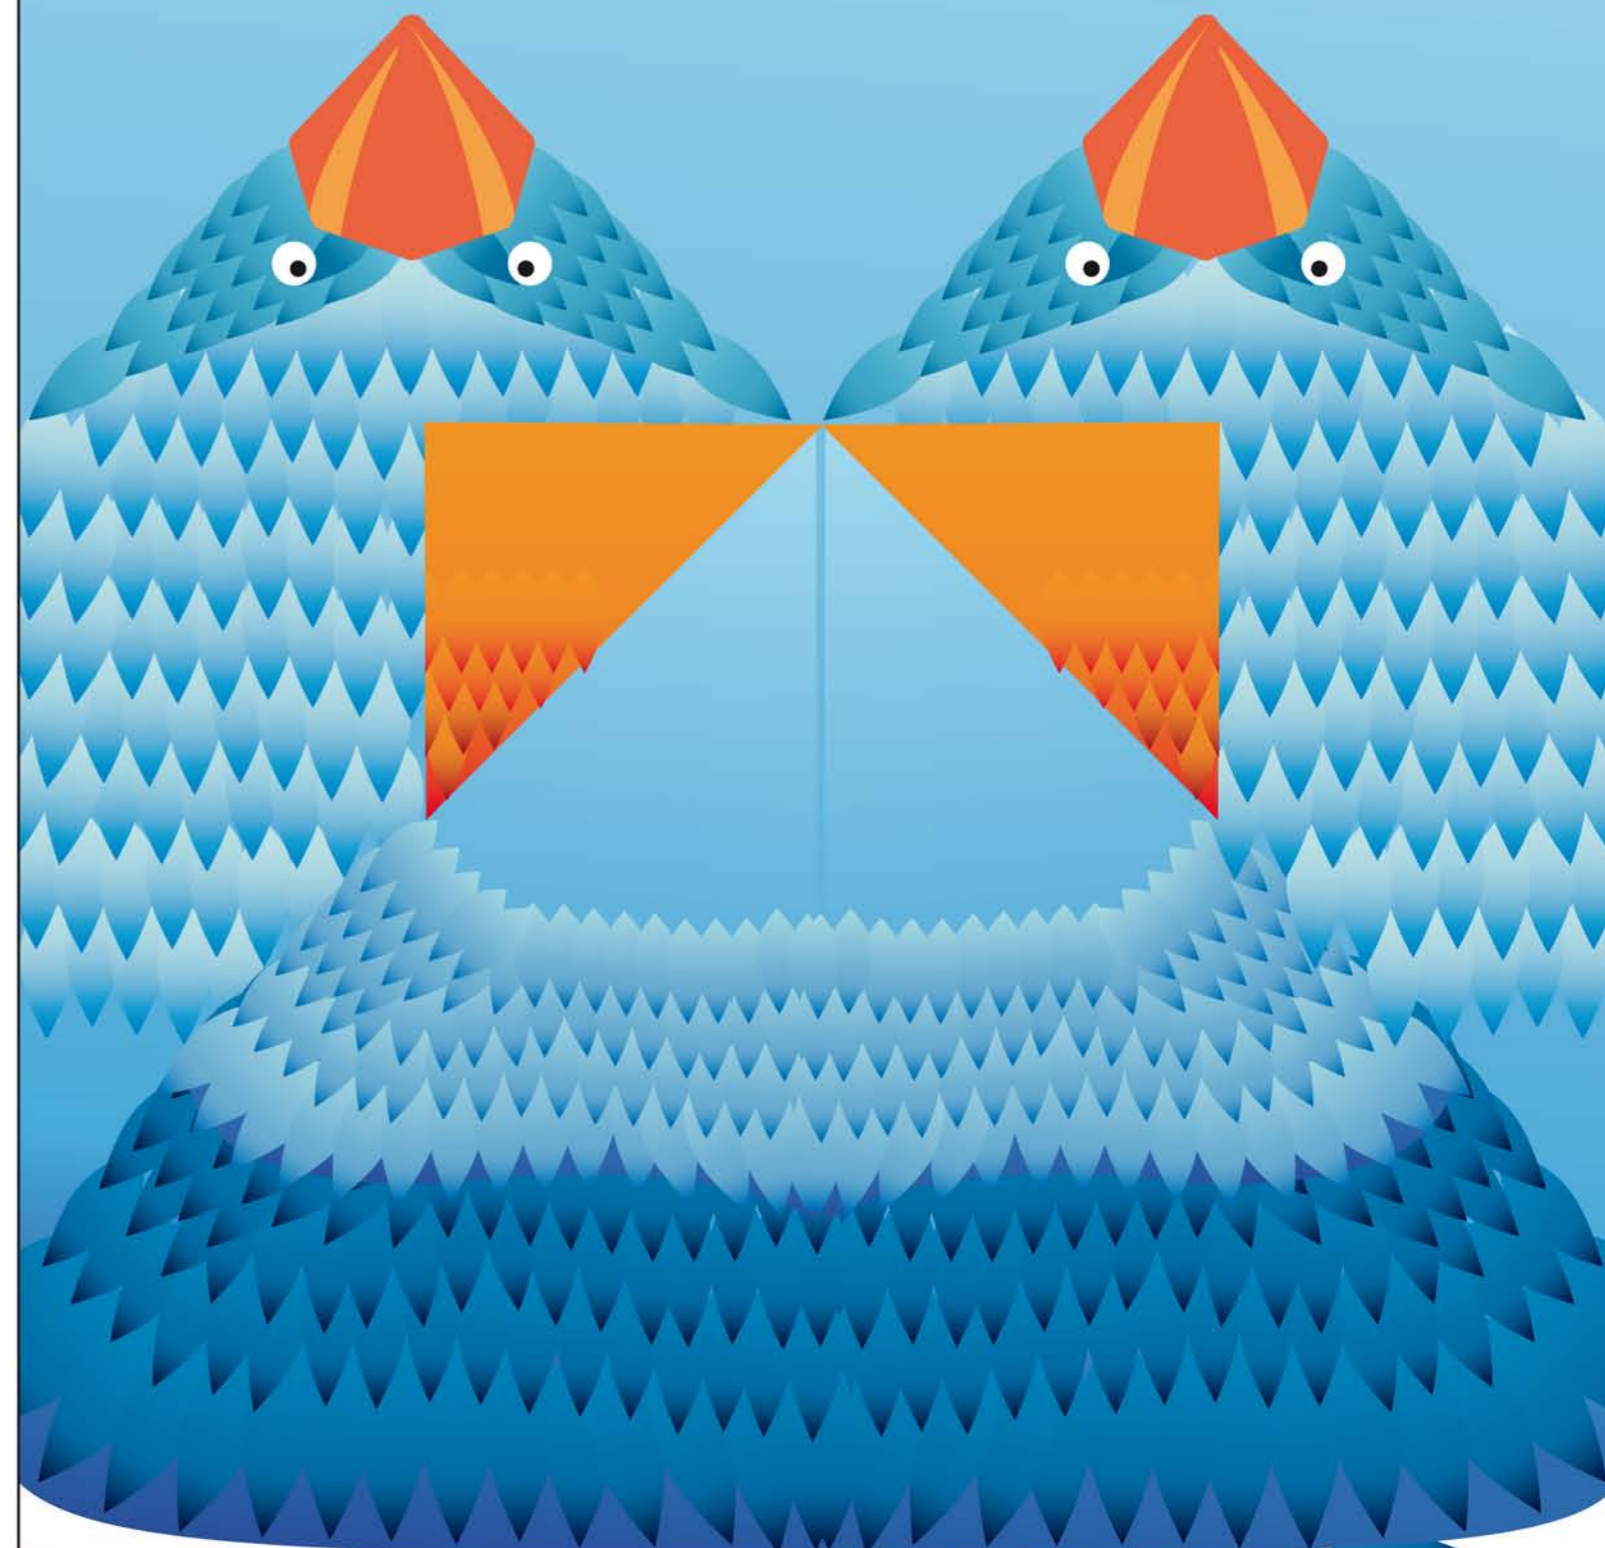

Ilustración y diseño de Isidro Alonso.
